

FAMILY FAVORITES

A COLLECTION OF RECIPES **FROM PAULINE'S KITCHEN**

In February 2002 Mom and I set out to pull together all her favorite recipes from her and the other great cooks in the family. What follows is that collection! Mom wrote all the recipes, and delivered them to type, she then corrected them and/or added stories about family experiences with the delicious meals. Josh, Ian and I assembled the 70 recipes into binders so other recipes may be added later, or you can add your own to the collection. I hope you enjoy our labor of love, and continue to pass down these wonderful recipes and memories!
